

## **PREQUALIFICATION NOTICE**

(Additional Procurement)

TENDER NO (3-SUPPLY /2013)

The Government of Japan extended a grant of one billion one hundred and thirty two million Japanese Yen (JPY1,132,000,000) to the Government of the Hashemite Kingdom of Jordan for contributing to the Project for Energy Conservation through Upgrading Water Supply Network. Utilizing part of the Grant, the Tender will be carried out for procurement of “Sluice Gate Valve and Air Valve”.

Japan International Cooperation System (JICS) is acting as the procurement agent on behalf of the Government of the Hashemite Kingdom of Jordan for the procurement of the products and incidental services to the said project.

The trading firms or manufacturers of valves who are interested in supplying Sluice Gate Valve and Air Valve to be installed by Water Authority of Jordan (WAJ ) and incidental services should submit the required documents in English to JICS on or before 17:00 Japan Standard Time (Jordanian standard time 11:00 am) on the 19th of February, 2013 by registered mail or courier. Details and the required documents are available on JICS’s website (<http://www.jics.or.jp>) and WAJ’s website (<http://www.waj.gov.jo>).
