Prequalification for Consulting Services

Ref.: International Open Tender for Energy Efficiency Improvements in Jordanian Water Supply Systems / Phase 2 (Detailed Design, Tendering and Construction Supervision Services)

Tender No. : 5/2013/SW

Tenderer: Water Authority of Jordan

Financing: German Financial Cooperation through KfW

Project Measures:

The objective of the Energy Efficiency Programme (Phase 2) will be the systematic and state of the art improvement of energy efficiency in water supply infrastructure in Jordan, comprising optimised groundwater extraction and pumping infrastructure with regard to M&E equipment, measuring devices, SCADA and the corresponding physical network infrastructure. The main task of this consultancy is the elaboration of detailed design documents, tendering and construction supervision services for all identified and approved EEP related improvements measures based on the results of the Phase 1 programme assessment study.

Requested Consultant Services:

The Water Authority of Jordan (WAJ) hereby invites independent international qualified consulting firms, experienced in the water sector and in the region, to submit their pre-qualification documents for consulting services supporting and facilitating the implementation of investment measures for improving the efficiency of energetic components of Jordanian water supply systems. The required minimum annual turnover of the lead consultant shall be above two million EUR as average of the last 3 years.

It is recommended that the Consultant shall perform the services in association with a Grade A listed Jordanian Consultant in the field of water and sewerage projects.

The prequalification of ~~experienced consultants~~ will follow the latest version of the "Guidelines for Assignment of Consultants in Financial Cooperation Projects" (refer to website: www.kfw-entwicklungsbank.de).

Further information concerning the prequalification are compiled in the PQ Information Note. The invitation of Expression of Interest (EOI) will be distributed electronically. EOI documents have to be submitted in hard copy at the stated addresses by mail, courier, or in person. E-mail or fax copies will not be accepted.
